

REPTI RAPIDS[®] LED WATERFALL

INSTRUCTIONS

FOR ITEM#'S: RR-21, RR-22, RR-23, RR-24 & RR-25

Congratulations on your purchase of Zoo Med's REPTI RAPIDS™ LED Waterfall. The following instructions will assist you with the proper assembly and operation of this unit. Please read the following instructions carefully. If you have any questions regarding these instructions or the proper use of this item, please contact our customer service department at zoomed@zoomed.com or by calling (888) 496-6633 (US and Canada only). Customers in other countries, please call (805) 542-9988.

FEATURES:

- Naturalistic, tranquil sounding waterfall for terrariums.
- Increases humidity in the terrarium which is essential for all tropical reptile species.
- Stimulates natural drinking behaviors in many species of lizards like chameleons.
- Separate power cords allow for independent timer control of LEDs and waterfall.
- Waterproof LEDs light up the waterfall during daytime or night time.
- **READY TO OPERATE!** Just fill with water and plug it in!

SAFETY INSTRUCTIONS:

IMPORTANT: In order to reduce the risk of fires, electric shock, or personal injury, read and save these instructions prior to operation.

- **DO NOT** operate the unit near electrical devices or other objects that can be damaged by high humidity.
- **DO NOT** expose the plug to water.
- **DO NOT** operate the unit with a damaged cord, plug, or other component.
- **DO NOT** alter or modify this product. Contact an electrician if you are unsure about the electrical connection.
- For indoor use only.
- Keep out of reach of children.

POLARIZED:

The pump has a **POLARIZED** plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not modify the plug in any way.

PARTS ENCLOSED:

Repti Rapids™
LED Waterfall
(RR-22 pictured)

* Typical pump shown.
Actual pump may vary slightly in appearance.

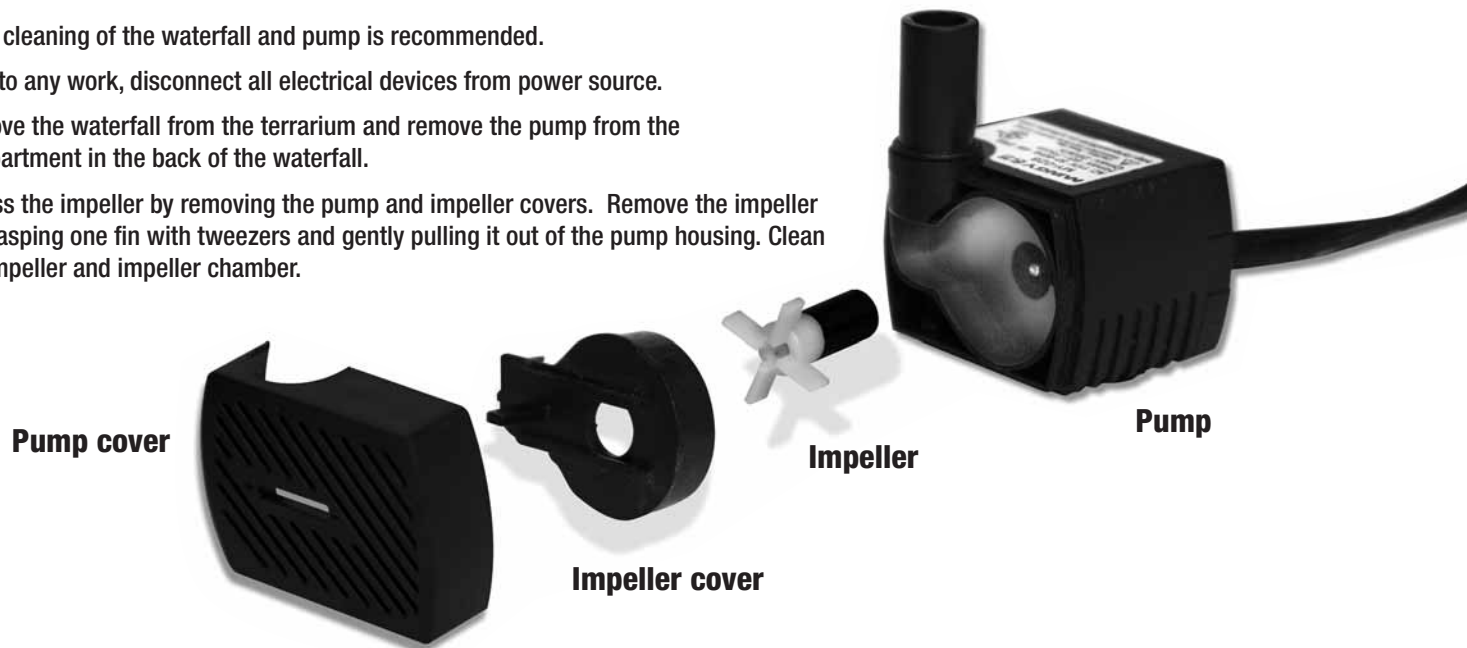

ASSEMBLY & OPERATION:

1. Remove contents from package and inspect for damage. If any parts are missing or damaged, contact Zoo Med's customer service department immediately.
2. Thoroughly rinse the waterfall and place the waterfall in your terrarium.
3. Fill the reservoir with water. (Note: Use Zoo Med's Reptisafe® Water Conditioner to remove harmful chlorine or chloramines from tap water.)
4. Connect the LED power supply
5. Feed the LED power supply and circulation pump cords out of the terrarium and plug in to a GFCI (Ground Fault Circuit Interrupter) outlet.

MAINTENANCE:

Regular cleaning of the waterfall and pump is recommended.

1. Prior to any work, disconnect all electrical devices from power source.
2. Remove the waterfall from the terrarium and remove the pump from the compartment in the back of the waterfall.
3. Access the impeller by removing the pump and impeller covers. Remove the impeller by grasping one fin with tweezers and gently pulling it out of the pump housing. Clean the impeller and impeller chamber.

4. Reassemble the pump and return it to the compartment.
5. Attach the tube to the pump and replace the compartment cover.
6. Return the waterfall to the terrarium, fill with water and plug in.

HELPFUL HINTS:

- Fill the reservoir with water before the pump is plugged in. Filling the waterfall while it is operating may cause it to overflow when it is shut off.
- Both the waterfall circulation pump and LED lights may be controlled with a timer.

WARRANTY:

Zoo Med Laboratories, Inc. (Zoo Med) warrants each **REPTI RAPIDS™ LED Waterfall** to be free of defects in material and workmanship under normal use and service for 12 months from the date of purchase. The obligation under this warranty is limited to the repair or replacement, at Zoo Med's discretion, of the product or any part thereof, when the product is returned to Zoo Med, freight prepaid. No claim shall be allowed under this warranty if, in the opinion of Zoo Med, this product has been subject to accident or improper usage, including but not limited to: water damage, improper storage, accidental dropping, etc. This warranty is in lieu of all other warranties and representations express or implied. Please include your receipt, full name, address, phone number, and email address along with a note explaining failure when sending any product back to Zoo Med. Please allow 4 to 6 weeks for repair or replacement.
